INFORMATION FOR ALL PARTICIPANTS

Medications/Medical

Medications are generally not permitted at camp. Participants may only carry medications to the event if such medications are intended to treat a potentially life-threatening condition. Inhalers are permitted at camp, and must be listed on the Parent Consent form. Participants must maintain possession of the inhaler and administer it according to his/her physician's instructions.

With prior written approval from the Camps Office, a participant may carry an EPI-pen. In order to bring an EPI-pen any other medication to the event, a parent or guardian must make a written request for approval to the Camps Office. An EPI-pen and any other approved medications must be in the original prescription container with the child's name clearly marked. Children are required to self-administer medications whenever possible. Camp staff members, however, are able to administer these medications in an emergency. To make a written request to bring medication to camp, please contact Makena Lynch (Asst. Director – Buckeye Sports Camps Office) by email at lynch.400@osu.edu. In order to adequately assess your information, please contact us at least 14 days prior to the start of the event.

**Please note- Participants with a known previous injury, illness, and/or condition that requires medical clearance for physical activity must provide documentation that he/she has been cleared by a physician. Participants that do not provide medical clearance documentation will not be permitted to participate.

CAMPER RULES AND EXPECTATIONS

Campers' adherence to the following rules and expectations is critical to making our camps safe, rewarding and fun for all participants. The Ohio State University is a large campus in a major metropolitan area. The safety of our campers is a primary concern.

Expectations for camper behavior:

- Follow all instructions of camp staff and immediately consult the camp director if you are uncertain about these instructions.
- Bring all equipment that is required to participate in camp. Label all personal belongings and equipment.
- Notify a camp counselor as soon as any problem arises, big or small. Camp staff are available to help you at all times.
- Follow the instructions of police, fire and other emergency personnel.

Behaviors not permitted

- Harassment, hazing, and bullying of other campers or staff. This includes verbal, physical, and cyber.
- Using profanity or inappropriate language whether it is written or verbal.
- Leaving the camp area as designated by the camp director. Campers are not permitted to walk freely around the campus or surrounding areas. If your parent is picking you up prior to the completion of any camp session (day or term), you must give the camp director a note from your parents in advance. Never travel alone.
- Visitors are not permitted in the camp dorm or dining areas. Spectators are only permitted to watch camp sessions from designated public areas.
- Possession and/or consumption of alcohol, tobacco, or illegal substances.
- Possession of matches, lighters, hot plates, kettles, fireworks, lethal weapons or other objects that the camp director considers dangerous.
- Possession and/or distribution of indecent literature or images.
- Tampering with fire alarms, safety, or security equipment.
- Inappropriate use of a cell phone during camp – phone may be confiscated for the duration of camp.
- Excessive noise or horseplay.
- Violations of federal/state laws.

Campers and parents should review this important information prior to arriving at camp.

Questions may be directed to the Buckeye Sports Camps Office at (614) 247-CAMP.

While unacceptable conduct is not anticipated from campers, violation of any camp rule or expectation could result in disciplinary action, up to and including dismissal from camp. Refunds will not be issued to campers dismissed from camp for disciplinary reasons.

We expect that parents or guardians of campers will be available (by phone) during the duration of the camp in the event the camp director or other camp staff needs to speak with them about a camper's behavior.
