Student-Athlete Quotes

“Not only was this a paid internship, but more importantly it allowed me to gain professional workplace experience in a place similar to one I will hopefully be able to work in down the road. Along with this, the personal development meetings are great ways to learn more about yourself and I believe are not held in many other internship opportunities.”

“This program helped me grow tremendously as a professional. The professional development taught me so many valuable lessons that I will use in future in the work place.”

“I would definitely recommend this program to other student-athletes. It is a wonderful opportunity to gain relevant work experience while learning professional development skills.”
