Student-Athlete Quotes

“Overall great experience, not many people are able to get this type of learning experience. Definitely a big help moving forward.”

“The activities were great because at least one of them took everyone out of their comfort zone and they had to depend on others... it taught us how to find a way to make something work.”

“I really enjoyed the program overall. It made me incredibly grateful that I get to be a student-athlete and Ohio State!”

“All around one of the most valuable 3 days of my life”
