# WOMEN'S GYMNASTICS

THE PEOPLE. THE TRADITION. THE EXCELLENCE.

**BUCK\$ 4 BUCKS  
PROGRAM**

Dear OSU supporters,

I'm so thankful and excited to begin a new era of Ohio State Women's Gymnastics and want to personally thank you for all of your continued support of our university and program. It is both an honor and privilege to be named your 5th Head Gymnastics Coach. I am working very hard to make you and The Ohio State University proud. Our student-athletes have bought into the vision and have been working extremely hard in the gym, classroom, and the community and are anxious to show you their skills!

Supporting the Buck\$ 4 Bucks Program will provide our current and future student-athletes with the best training opportunities possible here at The Ohio State University. We need to stay competitive with not only the Big 10 but the rest of the NCAA as well. This is the first of several projects in the near future for OSU women's gymnastics. With your support you'll be able to help us reach our goals. We're going to need YOU to believe and support us along our journey to success!

Thank you and Go Bucks!

Meredith Paulcivic
