

OHIO STATE ATHLETIC TRAINING

535 Irving Schottenstein Dr. | Columbus, Ohio 43210

TO: Visiting Team Athletic Trainers
FROM: Jenn Novak, MS, AT
RE: Athletic Training and Medical Services available at Ohio State

Welcome to The Ohio State University for your upcoming competition! I would like to take this opportunity to inform you of the athletic training and medical services available to you during your stay in Columbus, Ohio. If I can assist you during your visit, please do not hesitate to contact me using any of the contact information below.

- The Main Athletic Training Room is located on the South side of the building (behind the main floor team benches) in the Athletic Hallway. If you are not practicing on the main floor, the Practice Gym is located on the second level of the Schottenstein Center.
- Water, cups, ice and tables will be available in both the practice gym and the main arena floor. A student manager will be on-site during your practice and will be able to assist you in accessing the main athletic training room should you have further needs.
- The Locker Room will have a separate Athletic Training Space with a taping and treatment table, a hydrocollator, ice, water, Gatorade and cups. If you require any modalities, please let me know in advance so I may help provide them to you in your team locker room.
- On the bench for the competitions we will provide water, cups, towels, basic first aid and biohazard supplies, and injury ice.

A Certified Athletic Trainer and an Athletic Training Student will be present throughout the entirety of each competition. A Primary Care Team Physician and/or Orthopedic Surgeon will be on-site for all competitions. Emergency Medical Services will be on-site for all competitions. For emergencies or diagnostic care, the OSU Wexner Medical Center is located within one mile of the Schottenstein Center.

If you have any questions or special requests, please feel free to contact me.

Jennifer Novak, MS, AT
