

## OHIO STATE ATHLETIC TRAINING

535 Irving Schottenstein Dr. | Columbus, Ohio 43210

TO: Visiting Athletic Trainers  
FROM: Jeff Deits, MA, ATC, CSCS  
RE: Athletic Training and Medical Services available at Ohio State  
DATE: 2019 – 2020 Men's Basketball Season

---

Welcome to Ohio State University. I hope to make your visit to the Columbus area as trouble free as possible. The following is information and a list of services that will be available to you and your team upon arrival:

- For practice and shoot-around, the following supplies will be made available: water, cups, ice, and a treatment table. AEDs are accessible in the following locations: wall mounted outside the main athletic training room, wall mounted inside the men's basketball practice gym, and wall mounted inside the security office.
- The visiting locker room will have a separate area with a taping bench, treatment table, hydrocollator, ice, water, and cups. There should be plenty of room to tape at the Schottenstein Center if you choose to do so. If you need any modalities in your locker room, just let me know and we can wheel them over to you.
- The main Athletic Training Room is located on the south side of the arena (behind the team benches). Feel free to send over any managers or athletic training student to use ice machines for your water bottles.
- On the bench for the game we will provide water, cups, ice, towels, Kleenex & biohazard supplies.
- Our primary care team and orthopedic team physicians will be in attendance. We have an EMS squad & xray on site. For emergencies or diagnostic care, the OSU Medical Center is located less than one mile from the Schottenstein Center. Additional visiting team information can be found on our website <https://ohiostatebuckeyes.com/athletic-training/visiting-team-info/>.

If you have any questions or have other special requests, please feel free to contact me:
