### Student-Athlete Quotes

“I advise future interns to really take advantage of all the resources and opportunities this internship can provide with them. We truly are blessed to be treated the way we are here at Ohio State and have people help us be successful in the future.”

– Lauren Eusanio, Cheerleading

“Don't be afraid to step out of your comfort zone. You can get so much out of this program if you put the time into it and actually implement the things that are taught.”

– Alex Vander Molen, Women's Lacrosse

“My favorite part of the Bucks Go Pro was the professional development sessions because it helped me focus more on myself and the different steps I would need to take to build a career after college. Getting the chance to interact with different people who once played sports in college or CEOs made me realize how important it is to network, build relationships and staying connect with people.”

– Osman Fofanah, Men's Soccer
