PROGRAM INFORMATION

WHAT IS BUCKS GO PRO (BGP)?

Paid, flexible internship opportunities offered by the Athletic Department for student-athletes

WHAT IS THE DIFFERENCE BETWEEN BGP 1.0 & 2.0?

Bucks Go Pro 1.0 is an internship opportunity that is focused on placing student-athletes with jobs internally on campus and offers a professional development component. These roles can be within Athletics or the greater University.

Bucks Go Pro 2.0 is an internship opportunity that is focused on placing student-athletes with companies externally – in the industry a student-athlete is interested in or wants to explore more about.

1.0

- Internal Opportunities
- Includes Professional Development
- 180 Hours
- \$11/ Hour
- Targeted for Rising Sophomores and Juniors or your first internship
- 50 opportunities available

2.0

- External Opportunities
- Industry Experience
- 180-240 Hours
- \$11/Hour or MORE!
- Targeted for Rising Juniors & Seniors
- 80+ opportunities available
- Must complete mock interview to be eligible to apply

WILL BGP 1.0 & 2.0 WORK WITH OUR SUMMER TRAINING SCHEDULE?

YES! That is one of the BEST things about the internships. The Institute team has worked to ensure that both internship opportunities offer flexible schedules to allow student-athletes to participate in their sport and gain professional experience. Companies and supervisors know to expect this as well.

WHAT GRADE DO YOU HAVE TO BE IN FOR BGP?

Anyone that will be enrolled in classes for Fall 2020 will be eligible for 1.0 or 2.0. You may complete BGP 1.0 only one time.

ARE THESE PAID INTERNSHIPS?

Yes, yes, yes. Some of the opportunities in 2.0 will pay above base rate (\$11), so you need to check the job description for each role.

WHEN DO I NEED TO GET AN INTERNSHIP?

Any and all experience is good experience. Because the academic year is so busy for student athletes, it is important you use your summers, if possible, to build your resume. If it is not an internship, some sort of work experience is a strongly recommended.
