

# OHIO STATE ATHLETIC FACILITIES

## EVENT SAFETY REQUIREMENTS

*For the health and safety of our guests, and in conjunction with The Ohio State University and the state of Ohio guidelines, Ohio State Athletic Facilities have implemented the following measures to create a safe and healthy environment for our guests and our staff.  
Please do your part by sharing and following these guidelines.*

### HEALTH REPORTING

All guests, visitors, faculty, and staff are required to submit a health check and report through the OSU mobile app, [compass.osu.edu](https://compass.osu.edu) or by using the external link to report health status and body temperature prior to entrance to any University facility, including Athletic Facilities. All guests are required to present screening clearance upon entering.

#### HEALTH REPORTING PROCESS

1. Take your temperature.
  - **For internal OSU employees**, log in to the health reporting tool via [compass.osu.edu](https://compass.osu.edu) (link is external) or the Ohio State app.
  - **For external visitors/vendors**, log in to the health reporting tool via [https://go.osu.edu/ath\\_vendor\\_covid-19\\_survey](https://go.osu.edu/ath_vendor_covid-19_survey)
2. In the COVID-19 health reporting section, record your temperature and answer other health reporting questions.
3. Receive your daily health passport. This passport is good for entry to all open buildings during the day it was submitted.
  - RED** = Stay home
  - GREEN** = Clear to come to campus

### FACIAL COVERINGS AND MASKS

A facial covering that covers both the nose and mouth fully must be worn while inside any Athletic Facility. Cloth masks and paper disposable non-medical masks are acceptable. Facial coverings may be removed for the purposes of actively eating and/or drinking while seated only. Eating and drinking is not permitted while standing or walking per orders by the state of Ohio. Masks must be worn in all common areas and while interacting with staff. Our Facilities do not provide guest masks, so please anticipate that need when planning your visit.

### POSTED SIGNAGE

For everyone's safety, all guests are expected to abide by all posted signage and verbal requests from OSU Athletic staff. Failure to do so may result in being asked to leave the facility.

### PHYSICAL DISTANCING

**Together as Buckeyes...Six Feet Apart.** Please be mindful of keeping appropriate physical distance from other guests and staff of at least six feet and adhere to posted distancing instructions. All venues are adhering to social distancing guidelines so room capacities have been reduced.

### HAND SANITIZER AND HAND WASHING STATIONS

Frequent and thorough cleaning of hands is pertinent to mitigating the spread of COVID-19. Therefore, hand-sanitizing stations have been placed throughout the building for guest use. Handwashing sinks are available in all of our restrooms.

### ATTENDEE LIST

All clients must provide a complete list of all meeting or event attendees to a Athletics staff contact a minimum of 2 days in advance of the event (and updated day of event if needed). Information that must be included: full name, email address, and contact phone number for all event attendees, staff, volunteers, and speakers. This information is required by the University.

## **FOOD & BEVERAGE**

The safety of our guests and our team members is of the utmost importance. We diligently abide by food safety laws, which ensure safe food preparation and service. Due to the current state, service styles and options may vary. In addition, we are carefully following the guidelines and directives from the CDC, local government and health officials. Our teams have heightened their protocol on all sanitation efforts, and will have ongoing education on the preventative measures being continuously updated by the CDC regarding food safety and service.
