PROGRAM INFORMATION

WHAT IS BUCKS GO PRO (BGP)?

Paid, flexible internship opportunities offered within the Athletic Department, University or Corporate Partner.

WHAT IS THE DIFFERENCE BETWEEN BGP 1.0 & 2.0?

Bucks Go Pro 1.0 is an internship opportunity that is focused on placing student-athletes with jobs internally on campus and offers a professional development component. These roles can be within Athletics or the greater University.

Bucks Go Pro 2.0 is a an internship opportunity that is focused on placing student-athletes with companies externally – hopefully in the industry a student-athlete is interested in or wants to explore more about.

WILL BGP 1.0 & 2.0 WORK WITH OUR SUMMER TRAINING SCHEDULE?

YES! That is one of the BEST things about these internships. The Institute team has worked to ensure that both internship opportunities offer flexible schedules to allow student-athletes to do both their sport and gain professional experience. Companies and supervisors know to expect this as well.

WHAT GRADE DO YOU HAVE TO BE IN FOR BGP?

Anyone that will be enrolled in classes for Fall 2021 will be eligible for 1.0 or 2.0. You may complete BGP 1.0 one time only.

ARE THESE PAID INTERNSHIPS?

Yes, yes, yes. Some of the opportunities in 2.0 will pay above base rate (\$11), so you just need to check the job description for each role.

WHEN DO I NEED TO GET AN INTERNSHIP?

Any and all experience is good experience. Because the academic year is so busy for student athletes, it is important you use your summers, if possible, to build your resume. If it is not an internship, some sort of work experience is a strongly recommended.
