Mask Guidelines: Ohio State has recently updated its mask policy; "effective immediately, students, faculty, staff, and visitors to all Ohio State campuses and medical facilities are required to wear masks indoors, regardless of their vaccination status." Campers won't be required to wear masks during physical activity; however, spectators/parents will be required to wear a mask indoors.

For precautionary measures, we ask all participants to continue to masks indoors and outdoors whenever possible. Further, we ask that no participant attend camp if they have a positive test result or have symptoms within the last 10 days.
